

Interpra™ Cards

A Unique Visual Facilitation Tool

INTERPRA™ CARDS

Description

Interpra™ cards are a unique metaphoric facilitation tool to broaden awareness and kick-off or debrief workshops and meetings. Each deck of 40 original, copyrighted pictures is designed to create an environment for discussions and personal sharing. Each picture was created to spur rich and meaningful discussions.

Interpra™ cards are sold in decks

- Communication and Negotiation
- Teamwork
- Interpersonal

Each deck has pictures to illustrate that deck's title. Communication and negotiation pictures provide insight into communication challenges and successes. Teamwork pictures provide visuals to challenge our assumptions and stereotypes of teams. Interpersonal pictures evoke discussions about individual behaviors, attitudes, and skills.

Uses

Uses for **Interpra™** cards are limitless. Try them any time you need concrete applications back to the workplace. Metaphorical learning via the pictures allow the most detail-oriented or abstract person to connect the current topic to future or past experiences and situations.

Use **Interpra™** cards in training programs, team meetings, staff meetings, conflict mediations, team building, or a myriad of other places. Try asking participants to find one or more cards to:

- represent their answer to a question
- describe the topic being facilitated
- describe an experience or define a concept

What You Get

Forty durable original gloss-laminated picture cards in each deck
An instruction card in each deck
